

**CITY OF VILLA PARK
MEMBER OF THE CITY COUNCIL**

RICHARD A. FRESCHI

OCCUPATION: Incumbent

During the past eight years, it has been an honor and a privilege to represent you as Councilmember, Mayor Pro-Tem and Mayor. During this time, I originated five City activities: Student Recognition at Council meetings, Picnic, Boat Parade, Town Center Holiday decorations, and Halloween Fest.

The continuing tasks before us are the following: to honor individual's property rights, prevent neighborhood deterioration, preserve the character of our city, anticipate future problems and provide a safe community. We need to preserve two traditions: be responsive to citizens concerns and conservative fiscal management.

During the next four years, we face fiscal and infrastructure issues that will require strong leadership. My many years of executive experience in starting and operating companies, as well as my incumbent Council Member experience, will be of great value in facing these concerns and helping us meet any unforeseen challenges that arise.

My record underscores my commitments:

- Common sense and integrity
- Responsiveness to our citizens
- Preserving Villa Park's uniqueness
- Creative ideas to better our community
- An independent voice of reasonableness
- Less government and more individual freedom

As a 31-year resident, I respectfully ask for your vote.
